

Certification Logo usage policy		
Rev. 1 dated 01.01.2025	DF-IMS00-015	p. 1 of 1

1. Any organization certified by the Certification Body IMS INTERNATIONAL GmbH (hereinafter - the client) for the purpose of identifying its status as a certified organization has the right to use the Certification Logo of Certification Body IMS INTERNATIONAL GmbH (hereinafter - the Certification Logo).
2. When using the Certification Logo, the organization must comply with the Rules for using the Certification Logo.
3. In case of improper use of the Certification Logo the body or the owner of the certificate must take appropriate measures in accordance with the current legislation and the Agreements between them.
4. The Certification Logo may be used only by the client and only in direct connection with the client's company name or logo. It may not be used on products or product packaging, or on customer products and/or procedures, which may be construed as conforming of product compliance. It is not permitted to use the Certification Logo on laboratory test reports, calibration certificates or inspection reports or certificates for persons, as these documents are classified as products in this case.
5. The term of validity of this policy is not limited.
6. Review - if necessary.
